

Skills Training on Hair Cutting

On 8 March 2024, the Migrant Workers Office (MWO) and the Overseas Workers Welfare Administration (OWWA) organized the Skills Training on Hair Cutting at the Migrant Workers Resource Center (MWRC) participated by 30 members of the Filipino Community in Kuwait. The training led by Mr. Romeo Bundalian Jr. shared his expertise and skills in basic hair cutting.

Labor Attache Manuel M. Dimaano welcomed the attendees. He expressed his sincere appreciation for their unwavering support to all the endeavors of MWO. He even stressed the importance of continuous cooperation and collaboration between MWO and the Filipino community as well.

This is part of Post's Reintegration Preparedness Program for our OFWs and the second training to be conducted at the Center.
